Personal

Plan and complete tasks on time
Forward Thinking
Leadership

Development

Python
FastAPI
Go
Kubernetes
PostgreSQL
Django
CI/CD
TypeScript
GitHub
Linux

Tools

DataGrip
Docker
Neovim
Figma
and many more...

Interests

Professional

Sustainability
Entrepreneurship
Work Hard

Private

Snowboarding
Gaming
Cycling

Recent Work Experience

SWE at Face Digital Agency (Full-time)

Developed websites using Django, with some experience in frontend development and JavaScript. Completed projects sourced from freelance marketplaces for the agency.

Python, Django, MySQL, javascript

Moscow/Remote, Russia • 02/2017 - 10/2017

SWE at SmartTeleMax (Full-time)

Worked on the design and development of news websites, including a complete overhaul of the Council of Federation's website. My primary focus was on the backend administration system for editors. This portion of the project was significantly more complex than the front-end development.

Python2, Iktomi (Github), MySQL

Moscow/Remote, Russia • 02/2015 - 01/2017

Education

Unfinished, ended at 3 rd course

Bauman Moscow State Technical University

Moscow, Russia • 2011 - 2015

Postsecondary Education

Physics and Mathematics Lyceum 1

Norilsk, Russia • 2006 - 2011
